

Kia Sonet Panel Van

Space meets pace

Movement that inspires

We are
Motus

Space meets pace.

The Kia Sonet Panel Van is an innovative interpretation of a simple idea. As an urban runabout, it merges the endearing qualities of the Kia Sonet with the space required to effectively move cargo from point A to B. The result is a mobility solution that offers the space and pace needed in a cut-throat business environment, with the additional peace of mind that comes from Kia's renowned reliability and Unlimited Kilometre, 5-year warranty.

Striking headlights

The alluring shape of the Sonet's front grill and light housings is inspired by the eyes and nose of a tiger.

Stylish rear light clusters

Rear tail light clusters feature iconic Heartbeat graphics. They emphasize design continuity with the front headlamps.

Sporty, sturdy profile

The sturdy C-pillars behind the rear doors feature sporty trim accents that highlight the shapes of the tailgate and rear side windows.

15-inch Steel wheels

Solid steel wheels with plastic wheel covers complete the Sonet Panel Van's stylish exterior aesthetic.

Space meets comfort and connectivity.

With ample cargo space for a variety of small and medium-sized items, the Sonet Panel Van is not just about utility. Get your business moving with sufficient comfort to keep you going, and simple connectivity to keep you entertained and informed.

8-inch touch screen infotainment

In addition to its easy touch controls for the audio system, the 8-inch audio display can show the screen image of a paired, compatible mobile phone by wireless phone projection using the Android Auto and Apple Carplay apps.

Black cloth upholstery

Precision-enhanced simplicity.

A well-matched drivetrain offers reliable and invigorating performance and handling around town. Safety and performance are integrated better than ever before thanks to computational power and a new platform design.

2 airbags and remarkable rigidity*

The new Sonet offers the protection of a dual front airbag SRS system. High strength steel is applied throughout to improve rigidity, redirect impact forces, and protect the cabin and its occupants.

Bluetooth with voice recognition

6-speed Manual Transmission

4.2-inch instrument cluster and colour display

Standard Specifications: Kia Sonet Panel Van

ENGINE & TRANSMISSION
